A sum of Rs. 50 should be deposited in the State Huzur Treasury, Bangalore, as earnest money deposit towards the tender in favour of the Officer in charge, Mysore Serum Institute, Bangalore, and the treasury chellan obtained therefor should accompany the tender. The tender sent without the treasury receipt will not be considered.

The tendered rates should be written in figures as well as in words.

The tenders will be opened by the undersigned at 5-30 P.M., on Monday the 15th June 1931 in the presence of such tenderers as may choose to attend.

Carcasses ranging from 6 to 12 in number will be available every day, and they have to be removed immediately after *post mortem* is conducted on payment of purchase money. If the contractor delays in removing the carcasses, he will have to pay all the incidental charges incurred in removing the same. The carcasses will then be sold elsewhere at his cost and expenses but he cannot participate in the profits if any. Failure to fulfil the above conditions on the part of the contractor will entail forfeiture of the security deposit furnished by him.

Separate rates should be quoted for the carcasses of buffalo bull calves, bull calves and he-buffaloes and each rate quoted will be considered as a separate tender by itself.

The undersigned does not bind himself to accept the highest rate of any tender or assign any reason whatever for the rejection of any tender.

The contract should not be sublet.

The name of the successful tenderer will be intimated in due course and he will be required to execute an agreement bond on twelve annas stamp paper depositing a sum equal to 5 per cent of the total value of the tender as security deposit for the due fulfilment of the contract within seven days from the date of intimation of acceptance of the tender.

The earnest money deposited with the tender will be forfeited to Government if the tenderer withdraws the tender before acceptance or whose tender is accepted fails to execute the necessary agreement bond. The earnest money of unsuccessful tenderers will be returned.

This tender contract if given to any tenderer is liable to be terminated at any time during the course of the year at the discretion of the undersigned.

P. PARTHASARATHY,
Officer in charge,
Serum Institute.

OFFICE OF THE INSPECTOR-GENERAL OF PRISONS IN MYSORE, BANGALORE.

S. SUBBA RAO,
Inspector-General of Prisons.

FACTS REGARDING THE COLLEGE OF ENGINEERING, BANGALORE.

1. The College trains students for the B.E. Degree Examination of the Mysore University and provides instruction in Civil, Mechanical and Electrical Engineering subjects.

2. Students who seek admission into the College should not ordinarily be under 17 or above 22 years of age on the 1st June immediately preceding the date of admission into the College.

3. Candidates for admission must be Mysoreans by birth or domicile and must have passed the Intermediate Examination leading to Engineering of the Mysore University or must be graduates of this or any other University considered equivalent thereto. Applications from students who have discontinued their studies for two years or more after passing such examinations cannot be considered.

4. Applications for admission should reach the Principal, complete in all respects, not later than the 15th June nor earlier than the 15th May preceding. Every application should be accompanied by the following certificates:—

(i) Certificates showing the date of birth of the applicant duly attested by a Magistrate or Gazetted Officer of Government or being an extract of the School Register obtained from the head of the Institution in which the applicant studied prior to application.

(ii) Statement of Schools and Colleges at which the applicant was educated during the five years prior to application and the number of years he stayed in each class during the period.

(iii) Certificate of Physical Fitness (as per form detailed below).

(iv) Certificate of character which should also specify that he has got sufficient means to enable him to prosecute his studies during his four years' stay at the College, the total course being roughly estimated to cost Rs. 2,000 as per details given in the College Regulations.

Applicants other than those who proceed to the College of Engineering after passing the I.Sc. Examination leading to Engineering of this University will have to remit a registration fee of Rs. 5 also with their application. This fee will be refunded if they are not selected for admission, and for those who are given seats the amount will be adjusted towards their fees.

No notice will be taken of applications which are not complete in all the above respects, nor can any correspondence be entered into concerning them.

5. The number of seats available at present is fifty and selection will be made from amongst the applicants by the Principal aided by the College Council. The list of selections will generally be published by the 20th of June and every candidate who has been previously selected will be duly informed by post. Selected candidates should appear before the Principal on a date to be fixed by him not later than the 27th June; on their selection being confirmed by the Principal, the admission fee and the first instalment of tuition fees shall be paid on a date to be fixed not later than the 1st July. Any selected candidate who fails either to appear at the interview or to pay up the fees as above will forfeit his claim to admission. Vacancies, if any, will be filled from amongst the remaining applications.

6. The tuition fees are Rs. 150 per year payable in two instalments of Rs. 75 each, the first on admission in July and the second in January. The Sports and Union fees are Rs. 8 per annum payable on admission. Each student on admission is required to deposit Rs. 10 against loss or damage to tools, apparatus and library books.

7. The course extends over four years followed by a year's practical training. The first year's course is common to all students. In the second year students shall be permitted to select Civil, Mechanical or Electrical Engineering according to their aptitude as shown in the Examination held at the end of the first year. The B.E. Degree Examination is taken at the end of the fourth year.

8. The College course commences on the 1st of July and ends on the 31st March following. The summer vacation extends from April to June, both months inclusive. There will be tours of inspection during the college course, and students are expected to spend a portion of their vacation in Engineering works and in making sketches and measured drawings.

9. Each student must provide himself with the necessary set of drawing instruments and text-books, prescribed. The cost of these for the whole course will be about Rs. 350.

10. A hostel is attached to the college which provides boarding and lodging for about 40 students and the expenses amount to about Rs. 25 per student per month.
